Section 1 – Introduction

This directory provides a list of Blue Shield of California's network acupuncture providers offering Medicare-covered acupuncture for chronic lower back pain. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Services for Medicare-covered acupuncture for chronic lower back pain are administered by American Specialty Health (ASH), which contracts with Blue Shield of California to provide certain services. To confirm eligibility, please contact our Customer Service Department at **(800) 776-4466** (TTY: 711), 8 a.m. to 8 p.m., seven days a week. The network providers listed in this directory have agreed to provide you with your Medicare-covered acupuncture services for chronic lower back pain. You may go to any of our network providers listed in this directory.
You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare, Medicaid nor American Specialty Health (ASH) will be responsible for the costs.

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or another network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.
