If emergency services are needed, you should contact your Contract provider whenever possible. Benefits for emergency services by providers other than your assigned Contract provider are

3. reasonably believe that your condition makes it medically inappropriate to travel to the contract provider to receive emergency services.

Delta Dental

Benefits for emergency services not provided by the Contract Dentist are limited to a maximum of \$100 per emergency, less any applicable copayment. If the maximum is exceeded, or the above conditions are not met, you are responsible for any charges for services by a provider other than your Contract Dentist.

You may use your out-of-area emergency benefit (limited to \$100 per emergency, subject to standard plan limitations and exclusions; copayments may apply). The \$100 per emergency, less any copayment if applicable, is regardless of whether the member is in the country or out of the country.

If you are out of the country and an emergency occurs, seek treatment immediately. You can see any licensed dentist anywhere in the world for emergency dental services.

Be sure to ask for a detailed billing statement that includes treatment provided, tooth number, date of service, the cost of the service and a receipt indicating that you paid the provider. Delta Dental, una aseguradora dental contratada de Blue Shield of California, le brinda su cobertura dental. El plan dental en el que está inscrito es Delta Dental. Tiene que elegir a uno de los proveedores de la red que esté en la red de Delta Dental para que sea su dentista contratado. Ese dentista contratado tiene que brindarle su cobertura dental. Si necesita tratamiento de un especialista, su dentista contratado se ocupará de la referencia. Si tiene alguna pregunta, llame a Delta Dental al (866) 247-2486 (TTY: 711), de 8:00 a. m. a 8:00 p. m. (hora estándar del este), los siete días de la semana, desde el 1 de octubre hasta el 31 de marzo, y de 8:00 a. m. a 8:00 p. m. (hora estándar del este), de lunes a viernes, desde el 1 de abril hasta el 30 de septiembre.

Se necesita autorización previa de Blue Shield of California para obtener los servicios que incluyen atención dental de rutina que no son brindados por un proveedor de la red y que no están cubiertos como atención de emergencia.

Delta Dental cubre solamente las emergencias dentales fuera de la red, hasta \$100 de gastos dentales por emergencia.

¿Cómo puede recibir servicios cubiertos cuando tiene una emergencia?

Si necesita servicios de emergencia, tiene que comunicarse con su proveedor contratado siempre que sea posible. Los beneficios para servicios de emergencia brindados por un proveedor que no sea el proveedor contratado en este caso están limitados al alivio de los síntomas cuando usted:

1. haya intentado de manera razonable comunicarse con el proveedor contratado y ese proveedor no está disponible o no puede atenderle dentro de las 24 horas después de haberse comunicado;
2. haya intentado de manera razonable comunicarse con Blue Shield of California antes de recibir servicios de emergencia, o cuando crea que es razonable recibir servicios de emergencia sin comunicarse antes con Blue Shield of California; o
3. crea de manera razonable que, por su problema médico, no es conveniente viajar hasta el consultorio del proveedor contratado para recibir servicios de emergencia.

Delta Dental

Los beneficios para servicios de emergencia que no sean brindados por el dentista contratado están limitados a un máximo de \$100 por emergencia, menos cualquier copago que corresponda. Si se supera esa cantidad máxima o no se cumple con las condiciones que se explican arriba, usted es responsable de pagar cualquier cargo por los servicios brindados por un proveedor que no sea su dentista contratado.

Puede usar su beneficio para emergencias fuera del área (limitado a \$100 por emergencia, sujeto a limitaciones y exclusiones del plan estándar; es posible que se apliquen copagos). La cantidad de \$100 por emergencia, menos cualquier copago que corresponda, es independiente de si el miembro está dentro o fuera del país.

Si no está en el país y tiene una emergencia, busque tratamiento de inmediato. Puede ir a cualquier dentista autorizado en cualquier parte del mundo para recibir servicios dentales de emergencia.

Páguele al dentista los servicios que le haya brindado en ese momento. No se olvide de pedir una factura detallada que incluya el tratamiento, el número de diente, la fecha de servicio, el costo del servicio y un recibo que indique que le pagó al proveedor. Si es posible, haga traducir la factura al inglés. Eso nos ayuda a procesar su reclamación a tiempo. Delta Dental convierte la moneda.
